Profile Summary

A Business Administration Sciences (HR) student with a leadership personality and passion for continuous growth in both personal and team development. collaborative mindset, able to complete tasks efficiently.

Education

Imam Abdulrahman Bin Faisal University - Bachelor of Business Administration Science (HR) (2023-2026)

Experience

1-Enhancing Productivity and Team Efficiency - May 2025

Led my group to analyze and address worker procrastination issues at Yummyand_SA (Health Food Store). Applied problem-solving to implement a monitoring strategy that enhanced teamwork, reduced production delays, and improved overall efficiency.

2-Developing an Innovative Cost-Effective Solution - Dec 2024

Led my group in developing an idea designed to simplify people's lives and reduce overall costs. Applied creative thinking, planning, and analytical skills to guide the project, which received high evaluation scores from the judging committee during the university's internal exhibition.
