 Dammam

PROFILE

Highly motivated senior Finance student seeking a cooperative training opportunity to apply and strengthen analytical and valuation skills. Eager to contribute in a dynamic finance environment by supporting investment analysis, financial modeling tasks, and data-driven decision making.

EDUCATION

Bachelor in Banking and Finance

08/2022 – Present

Imam Abdulrahman Bin Faisal University

GPA : 4.97 out of 5

Expected graduation date: 25/6/2026

ACADEMIC EXPERIENCE

Financial Valuation Project - Discounted Cash Flow (DCF) Analysis

04/2025

Developed a DCF valuation for SACO by collecting financial data, building the model in Excel, and supporting the results with ratio and peer analysis. The project was presented through a finance exhibition banner as part of a university showcase.

Portfolio Simulation Project – Tadawul (Saudi Stock Exchange)

05/2025

Worked on a simulated stock portfolio in the Saudi market, selecting and trading equities based on financial and market analysis to measure performance, risk, correlation and diversification.

Design Team Member

08/2024 – Present

Finance Committee - Business College Club

Imam abdulrahman bin faisal university

Developed and designed promotional visual content (posters, social media ads, presentations) for committee events, demonstrating expertise in Canva and familiarity with Adobe Illustrator to enhance event visibility and engagement.
