COMPANY PROFILE

LEADING WITH INFLUENCE & PURPOSE

INTRODUCTION

Welcome To NEFT

NEFT Energies, as a training institute, was established with the aim to become a leading source provider of training excellence in the MENA region. NEFT Energies has the first intelligent training center in the region that focuses on delivering superior “basic to advance” training. These training are designed to be short, effective, efficient, and fit for purpose.

Over the past decade, NEFT Energies has grown to become one of the largest privately-held training institutes in Saudi Arabia delivering training to more than 2,000 participants every month. Saudi Aramco, BAE Systems, Saudi Customs, SWCC, SADAIA, KKU, Schlumberger, ADES, and other major key players in the industry are among the base of 180 international and regional clients that we proudly help in building safe and efficient work culture.

NEFT Energies specializes in shaping Organizational Cultures, Training needs and Gap Analysis, Competency Assurance Programs “CAP”, QHSSE Consultancy and Trainings, Leadership Development, Business and Management Skills and various technical training and consulting services supporting the high-risk industries & business corporations
