# JOINT VENTURES

- **EXCEED** specializes in delivering wells management and performance improvement solutions for the upstream Oil & Gas Industry. Established in 2005, EXCEED operates globally supporting client projects across the well lifecycle.

**EXCEED** speciality and Core Competence is in

- 1- Wells Management
- 2- Performance Improvement
- 3- Mission Technology

**EXCEED** also provides Two Competency Training /Assessment Programs for Engineers: Performance Engineer Competency Program (PECP) and Well Engineer Competency Program (WECP).
